

London TDM

## Management and Leadership

**Course Venue:** United Kingdom - London

**Course Date:** From 11 January 2026 To 15 January 2026

**Course Place:** London Paddington

**Course Fees:** 6,000 USD

## Introduction

This 5-day comprehensive course, "Sustainable Corporate Leadership and ESG Strategy," is designed for professionals seeking to integrate sustainability and Environmental, Social, and Governance (ESG) principles into corporate leadership and strategy. Participants will develop an understanding of how to lead organizations towards sustainable practices that align with global standards and expectations.

- Understand the fundamentals of ESG and sustainable leadership.
- Develop strategies for integrating ESG into corporate governance and business models.
- Analyze current trends and case studies in sustainable practices.
- Evaluate the impact of ESG initiatives on corporate performance.
- Create actionable ESG strategies that align with organizational goals.
