## Introduction

Succession planning and career pathing are critical components of human resource strategies in organizations aiming to sustain growth, manage talent, and ensure seamless leadership transitions. This 5-day course is designed to provide human resource professionals, managers, and executives with practical tools and insights to develop robust succession plans and career pathing models that align with organizational goals and employee aspirations.

- Understand the fundamental concepts of succession planning and career pathing.
- Identify and assess critical roles within an organization.
- Develop and implement effective succession plans.
- Create career pathing models that promote employee engagement and retention.
- Align talent management strategies with organizational objectives.

## Course Outlines

### Day 1: Introduction to Succession Planning and Career Pathing
