

London TDM

HR Training Courses

Course Venue: Malaysia - Kuala Lumpur

Course Date: From 12 April 2026 To 16 April 2026

Course Place: Royale Chulan Hotel

Course Fees: 6,000 USD

Introduction

In today's competitive business environment, aligning compensation strategies with organizational goals is crucial for driving performance and achieving long-term success. This professional course provides a comprehensive exploration of how organizations can design and implement compensation systems that resonate with their strategic objectives, ensuring that employee efforts are effectively directed toward business priorities.

Objectives

- Understand the relationship between compensation strategies and business goals.
- Learn how to assess and restructure compensation systems to align with evolving objectives.
- Explore various compensation models and their impact on employee motivation and performance.
- Gain insights on effective communication of compensation strategies to stakeholders.
- Develop skills to evaluate and adjust compensation systems to maintain alignment with business goals.

Course Outlines

Day 1: Introduction to Compensation and Business Strategy Alignment

- Overview of compensation and its impact on business outcomes.
- Understanding strategic business goals and their importance.
- Mapping compensation strategies to organizational objectives.
- The role of compensation in talent acquisition and retention.
- Case studies on successful alignment of compensation and business strategy.

Day 2: Analyzing Current Compensation Structures

- Assessing existing compensation frameworks.
- Identifying gaps between current compensation and business goals.
- Tools and techniques for compensation analysis.
- Benchmarking against industry standards and best practices.
- Developing a gap analysis report.

Day 3: Designing Effective Compensation Strategies

- Key elements of effective compensation plan design.
- Integrating performance metrics with compensation.
- Creating equitable and motivating compensation structures.
- Innovative compensation models (e.g., skill-based pay, profit-sharing).
- Considerations for legal compliance and ethical practices.

Day 4: Communicating Compensation Strategies

- Importance of transparent communication in compensation plans.
- Strategies for effective stakeholder communication.
- Addressing employee concerns and expectations.

- Building trust through open dialogue on compensation.
- Feedback mechanisms for continuous improvement.

Day 5: Evaluating and Adjusting Compensation Systems

- Methods for evaluating compensation system effectiveness.
- Collecting and analyzing performance data.
- Adjusting compensation structures in response to business changes.
- Maintaining flexibility in compensation systems.
- Developing a roadmap for ongoing alignment and adjustments.
