

London TDM

Procurement and Supply Chain Management Training Courses

Course Venue: United Arab Emirates - Dubai

Course Date: From 05 April 2026 To 09 April 2026

Course Place: Downtown Dubai

Course Fees: 5,000 USD

Introduction

In today's dynamic business environment, effective outsourcing and third-party management are crucial for organizational success. This professional course provides comprehensive insights and strategies for managing outsourcing relationships and harnessing the power of third-party resources to achieve business goals. Over five days, participants will explore key concepts, frameworks, and best practices to optimize their outsourcing strategies and enhance third-party collaborations.

Objectives

- Understand the fundamentals of outsourcing and its strategic importance.
- Learn effective third-party management techniques and relationship-building strategies.
- Explore risk management and governance in outsourcing engagements.
- Gain insights into performance measurement and optimization in outsourcing.
- Develop a comprehensive framework for successful third-party management.

Course Outlines
