Customer Service and Sales Training Courses

Course Venue: United Kingdom - London

Course Date: From 05 April 2026 To 09 April 2026

Course Place: London Paddington

Course Fees: 6,000 USD

Introduction

This 5-day professional course on "Emotional Intelligence in Customer Interactions" is designed to equip participants with the skills to effectively understand and manage emotions, both their own and those of their customers. By enhancing emotional intelligence, participants will be able to foster stronger relationships, improve customer satisfaction, and handle complex interactions with confidence and empathy.

Objectives

- Understand the fundamentals of emotional intelligence and its importance in customer interactions.
- Develop self-awareness and self-regulation skills to manage personal emotions.
- Learn techniques to empathize with customers and understand their perspectives.
- Enhance communication skills to effectively respond to customer needs.
- Apply emotional intelligence strategies to improve customer service outcomes.

Course Outlines

Day 1: Introduction to Emotional Intelligence

- Definition and components of emotional intelligence
- The role of emotional intelligence in customer service
- Benefits of using emotional intelligence in interactions
- Identifying personal emotional intelligence strengths and weaknesses
- Setting personal goals for enhancing emotional intelligence
