

London TDM

Administration and Office Management Training Courses

Course Venue: United Kingdom - London

Course Date: From 18 January 2026 To 22 January 2026

Course Place: London Paddington

Course Fees: 6,000 USD

Introduction

This course on "Office Risk and Safety Management" aims to equip professionals with the knowledge and skills needed to create a safe working environment in an office setting. Participants will learn to identify, evaluate, and mitigate various risks while ensuring compliance with safety regulations. This comprehensive 5-day course offers both theoretical insights and practical applications tailored to meet modern workplace demands.

Objectives

- Understand the principles of office risk and safety management.
- Identify common hazards in the office environment and develop strategies to address them.
- Learn to implement and maintain effective safety management systems.
- Gain knowledge of legal and regulatory frameworks surrounding workplace safety.
- Develop skills to continuously improve safety practices and emergency preparedness.
